Hurricane Melissa Emergency Appeal

- **The Methodist Church in Britain and All We Can have launched an appeal to support those affected by Hurricane Melissa.**
- **Category 5 hurricane – and one of the strongest ever Atlantic storms to make landfall.**
- **Winds escalated from 70mph to 140mph in just one day – such fast intensity has caused devastation to lives and livelihoods.**

- **Hurricane Melissa is travelling through the Caribbean, causing devastation in its wake.**
- **We're raising money for partners in the region, including The Methodist Church in the Caribbean and the Americas (MCCA) who intend to purchase bulk goods such as food and shelter materials to help those most acutely affected by the hurricane.**
